Kabarak University is a private Chartered institution of higher learning that provides holistic, quality education, research and outreach activities aimed at producing graduates who are fully equipped for the service of God and humanity.

Founded in the year 2000, the second President of Kenya, H.E. Hon. Daniel T. Arap Moi, as a result of his visionary idea, set up a Christian University that would meet the demand for higher education in Kenya and offer quality education based on strong moral principles.

The Institution was granted Letter of Interim Authority in October 2000 opening doors for its first batch of students in the year 2002. Later, in the year 2008, the University was awarded Charter by the Third President of the Republic of Kenya, His Excellency Hon. Mwai Kibaki, making it a fully-fledged accredited University.
